出版者:Penguin USA

出版时间:2007-9

装帧:HRD

isbn:9780525478171

Puberty can be an exciting and confusing time for children. In her follow-up to her bestselling "Amazing You," Dr. Gail Saltz navigates curious youngsters through body changes for boys and girls, reproduction, and emerging sexuality with her renowned

brand of warmth and candor. Lynne Cravathas lively illustrations provide just enough detail while underscoring the direct and honest tone of the text. This refreshingly accessible picture book also includes an authoras note to parents.
