Painting on a Canvas encourages kids to draw, paint, shape, and cut, and provides

entertaining activities to bring out the budding artist in every kid! With easy to understand instructions on everything from how to paint with watercolors to creating sculptures with clay, kids will learn how to create their own masterpieces, no matter the medium. Comprehensive material lists allow adult helpers to gather everything in advance for their little creators. Painting on a Canvas also includes spotlights of famous artists, such as Pablo Picasso and Michelangelo, along with kid-friendly discussions of art techniques, such as pointillism and negative space. There are even tips for more advanced young artists to expand their skills. These activities will help paint a smile on every kid's face, and foster a deeper understanding of the arts.

Chapters include:
