More important moments in childhood are depicted lightly, but effectively, in a fresh and funny question-and-answer format. Who gets a haircut? Does a yak? Does a rhinoceros? Does a whale? Does a sheep? Do YOU? And who goes to school? Does a panda? Does an ostrich? Does an armadillo? Does a chimpanzee? These books help teach children about important moments of childhood, in this case getting a haircut and going to school. Using a funny question-and-answer format comparing people to animals, the author and illustrator share information on childhood events that may seem scary, but won't hurt a bit.
