A Christmas book for the very young. This wonderful mix of ten stories retells the traditional Christmas story of Christ's birth, as well as lovely folk stories about the Christmas season. Among the favorites are "The Fourth Wise Man," "Baboushka," "Good King Wenceslas," and "The Baker's Christmas." Written in simple language for

very young children, this is the perfect gift for a child's first Christmas. Brilliant papercut illustrations bring these moving stories to life. The perfect Christmas gift.
