You think you know the tale of the Little Red Hen. You think you know how it ends. But in this story everything changes when the hard-working Red Hen lays a perfect white egg. And out of this egg comes a chick with a mind of her own . . . Here is a beautiful book with fantastic woodcut prints and lyrical text that turns the tale of the Little Red Hen upside down. In classic fashion, it is the noble Red Hen who does all the work, but Red Hen's chick, in an arresting and charming manner, chooses not to follow her mother's tradition of exclusivity.
