Being a princess isn't "all that...."You've heard the fairytale: a glass slipper, Prince Charming, happily ever after...Welcome to reality: royal genealogy lessons, needlepoint, acting like "a proper lady," and -- worst of all -- a prince who is not the least bit interesting, and certainly not charming.As soon-to-be princess Ella deals with her newfound status, she comes to realize she is not "your majesty" material. But breaking off a royal engagement is no easy feat, especially when you're crushing on another boy in the palace.... For Ella to escape, it will take intelligence, determination, and spunk -- and no ladylike behavior allowed.
