isbn:9780972967334

Debunking misconceptions surrounding successful project managers, this source builds upon a landmark survey of more than 800 project managers from around the world to highlight the traits that make them stand out in the minds of their teams, senior managers, customers, and stakeholders. Through in-depth interviews and discussions, the common attributes of these elite project managers--from character and beliefs to organizational approaches--are uncovered and help to explain their achievements. Painstakingly researched, this guide offers key insights by providing multiple perspectives on the character makeup of the world's most successful project managers.
