Vital Notes for Nurses: Professional Development, Reflection and Decision-making provides a concise, accessible introduction to professional development, reflective practice and clinical decision-making. Vital Notes for Nurses: Professional Development, Reflection and Decision-making explores the core strategies of reflective practice and decision-making underlying professional nursing development. Separate chapters on reflective writing, evidence-based practice, clinical supervision and portfolios demonstrate the inter-relationship between professional development and professional practice. It is aimed at both student and qualified nurses, recognising that professional development is a life-long commitment. It provides clear guidance to help practitioners think critically about their actions, work within professional boundaries, be accountable for their actions and plan for their future.
