As the title suggests, Awesome Ukraine is more than a guide! Simply put, it is all that is awesome about Ukraine - from national dishes, to historical facts, symbols, mythology,

popular culture and much more. This book has a highly stylized design and a unique layout with photos spanning the decades. In it you will find explanations as to: why our national symbols are the blue and yellow flag and the tryzub; why Ukrainians are sentimental towards the nightingale, vyshyvanka and salo; why we are proud of Pylyp Orlyk, Serge Lifar, the Klychko brothers and the AN-225 "Mriya" airplane; why Kazantyp has attracted young people for years; and why the centre of Europe is located in Zakarpattia Oblast.

百科全书般地介绍了乌克兰国家的方方面面，多处强调了克里米亚被俄国非法占领以及乌东亲俄分离分子造成的战乱。吃的部分，除了红菜汤，好像都不能引起我的兴趣呢。对了那么好吃的乌克兰土豆煎饼为什么都不介绍下，虽然我自己都会做了！
