装帧:平装

isbn:9781932841121

This book offers business owners and managers a new and more effective way to think about lawyers, law, and litigation. Your Lawyer: An Owner’s Manual is a brass-tacks guide that demonstrates smarter ways to find, work with, and motivate attorneys. Author Henry C. Krasnow is an attorney with four decades of experience helping businesses, and he writes with an insider’s perspective on what business owners need to know about managing this pivotal business relationship. The book outlines this relationship in ways that are clear, simple, and straightforward, so that readers can learn ways to save time, frustration, and money. It furnishes a useful overview of the entire legal process—what’s happening, why it’s happening, and even why it’s often so frustrating.
