This is a collection of businesses selected especially for stay-at-home parents who are interested in augmenting their income. These businesses can be started with minimum training and investment and are all capable of producing extra income. Most can easily be operated by one person and eventually be sold for an additional profit. Many of these businesses can actually be started with less than one hundred dollars and some can really be started with next to nothing. All can be operated from home. Starting and managing a business takes motivation and talent. It also takes research and planning. This new book is intended to serve as a roadmap for starting your business. It is both comprehensive and easy to use. It also includes numerous web links for additional information. While providing detailed instruction and examples, the author leads you in developing a winning business plan and structure of the business plus accounting and bookkeeping procedures. Sales and marketing techniques and pricing formulas are demystified. You will learn how to set up computer systems to save time and money and generate high-profile public relations and publicity while avoiding legal pitfalls. Thousands of great tips and useful guidelines will help you keep bringing customers back, give you low-cost internal marketing ideas, low- and no-cost ways to satisfy customers and sales building ideas.
