出版时间:2007-3

装帧:HRD

isbn:9780132394574

This book makes an authoritative and practical introduction to organizational behavior. It contains leading-edge coverage of topics and issues combined with a wealth of learning tools that help readers experience Organizational Behavior and guide them to becoming better managers. Chapter topics discuss individual differences: personality, ability, and job performance; work values, attitudes, moods, and emotions; perception, attribution, and the management of diversity; learning and creativity at work; pay, careers, and changing employment relationships; managing stress and work-life linkages; leadership; power, politics, conflict, and negotiation; communication flows and information technology; organizational culture and ethical behavior; and organizational change and development . For business professionals preparing for a career in management.
