The tools and techniques needed to successfully launch and maintain a hedge fund. In *The Fundamentals of Hedge Fund Management*, both budding and established hedge fund managers will learn the fundamentals of building and maintaining a successful hedge fund business. Strachman presents the facts in an accessible and easy-to-use format that will empower readers to create a lasting fund that provides significant income for years to come. *The Fundamentals of Hedge Fund Management* provides information on everything from picking a lawyer to creating a fund's documents to determining what markets attract investors. Readers will glean valuable information from real-life experiences (both negative and positive) that have shaped and continue to guide many of today's leading and most respected funds.
