Caught in a state of LeaderShock? Now it's your turn to thrive. Faced with the chaos of business today, leaders in every field feel overwhelmed and ineffective. They're in LeaderShock. But now there's a way out. Based on seven years of breakthrough research, Greg Hicks' award-winning LeaderShock program has shown thousands how to thrive in our chaotic business culture. And now his revolutionary book offers a practical roadmap of eight behavioral rules you can use to take control and stay in charge. This clear and concise guide will show you how to: \* Activate and express "Intentions" to get the outcomes you want \* Use "Recasting," a surprising new way to convert stress into strength \* Create an accountable and truth-driven culture that excites and motivates \* Become proactive and forceful without overpowering others As practical as it is liberating, LeaderShock will systematically guide you to find what every leader wants--powerful effectiveness and personal exhilaration.
