Voice typing is transforming the way people work, write, and enter data. This series has texts available for L&H VoiceXPress, Dragon Naturally Speaking, and IBM ViaVoice. Using any one of these books, the user can learn the most effective way to use this new software and be able to apply it to various office applications. This series takes a step-by-step approach through the speech learning process, providing tips and advice along the way. L&H VoiceXPress for the Office Professional is also available as a digital download. Order an individual download or ten copies-the choice is yours. Visit www.swep.com/ebooks for more information.
