The long awaited "More 100 Best Things I've Sold on eBay" is here! It is a continuation of entertaining, touching, and inspiring stories of the author's most memorable eBay adventures. Lynn Dralle is the granddaughter of Cheryl Leaf, an antiques dealer for over 50 years and a larger-than-life personality. Over the years, Lynn came to depend on her grandmother's knowledge of antiques, business insights, wisdom, strength of character, and humour. Lynn has woven memories of the time spent with her grandmother into each of the 100 stories. As an eBay power seller, you won't believe the amazing things Lynn finds for pennies that sold for big bucks. A carved wooden bird she paid \$2 for went for over \$2,000 on Christmas Day. A \$20 Chandelier found under a table at a charity sale sold for \$2,284 to a man in Japan. You will be hooked! This book appeals to antiques enthusiasts, eBay lovers, and anyone who enjoys a unique, heart-warming read.
