

# Collected Works of Arthur Seldon

[Collected Works of Arthur Seldon\\_ 下载链接1](#)

著者:Arthur Seldon

出版者:Liberty Fund Inc

出版时间:2004-9-1

装帧:Paperback

isbn:9780865975576

These volumes span 65 years of Seldon's influential thought and elaborate on the genesis of almost all the public/private debates currently before the world. His arguments are as compelling and relevant today as they were over half a century ago. Each volume of this series has a contextual introduction and, except for Volume 3, an individual index. Volume 7 contains an index to the entire series. Volume 3 co-written with Fred G Pennance is an essential tool for anyone who wants a better understanding of political economics.
