Book and CD-ROM. This is one of the very few books written for existing operators in both the commercial and non-commercial sectors. You will find over 2,001 practical,

insider techniques and tips that have been gleaned from successful operators from around the world and tested in real-life food service businesses. You can put this information in place today to reduce expenses and expand profits. Easy to read and understand, this step-by-step guide and will take the mystery out of how to reduce costs in four critical areas: food, beverage, operations and labour.
