著者:Robert, Henry M.

出版者:Perseus Books Group

出版时间:2003-10

装帧:Pap

isbn:9780738209234

Originally published as a slim document in 1896, General Henry M. Robert's guide to smooth, orderly and fairly conducted meetings has sold close to five million copies in ten editions. This tenth edition is the only book containing the officially sanctioned and completely developed Robert's Rules of Order subject matter. Now available in a deluxe leatherbound format with beveled gold edges and a ribbon marker, this classic book will be both the durable and elegant choice for parliamentarians, novice club presidents and committee chairs alike.
