

Britain and Europe Since 1945

[Britain and Europe Since 1945 下载链接1](#)

著者:Daddow, Oliver J.

出版者:Palgrave Macmillan

出版时间:2004-4

装帧:HRD

isbn:9780719061370

The text forces us to confront the fundamental difficulties we encounter in thinking about and understanding history. It should appeal to international historians, those interested in history as a form of philosophical inquiry, to students of European integration history and the Cold War, and to British foreign policy-makers.
