Includes complete coverage on: what income funds are and how to use them to your advantage; myths and facts about income funds; different types of income trusts; what to look for in an income trust, and how to assess the risks involved; how income trusts, and the investors in them, are taxed; funds of income funds; and much more. Explains what business owners need to know if they are considering converting their businesses into an income trust. Features listings and profiles of over 160 income funds currently available in Canada, including a description of each fund, performance history, and contact information.
