The Wall Street Journal bestseller, now with new material.

The master teacher of positive change through powerful communication, Susan Scott wants her readers to succeed. To do that, she explains, one must transform everyday conversations employing effective ways to get the message across. In this guide, which includes exercises and tools to take you step by step through the Seven Principles of Fierce Conversations, Scott teaches readers how to:

- € Overcome barriers to meaningful communication
- € Expand and enrich conversations with colleagues, friends, and family
- € Increase clarity and improve understanding
- € Handle strong emotions-on both sides of the table

"If you wish to drown yourself, don't torture yourself with shallow water."  
全书貌似就这一句比较震撼。

---

读起来有点吃力 可以再写得结构化一些
