Mastering the ISDA Master Agreement 1992 and 2002, will provide a practical, clear and useful foundation for the fledgling negotiator as well as supporting them with a good overview of the legal, credit and operational issues inherent in the ISDA Master Agreement. Mastering the ISDA Master Agreement 1992 and 2002 is designed to build on the success of the first edition by extending coverage of to the new 2002 ISDA Master Agreement, and extends the coverage of the first edition. Once again this book will provide the many new entrants globally to derivatives documentation with a practical negotiation guide to both the 1992 and 2002 Agreements so they can be approached confidently.
