The fundamental accounting content you've come to trust from South-Western remains in the Anniversary Edition. Century 21 Accounting Advanced Course begins

with a brief overview of 1st year accounting then moves into corporate accounting. Each chapter is divided into three or four lessons with corresponding assessment activities right at the point of use. Automated Accounting is in every chapter and the directions are versatile, allowing this text to be used with Automated Accounting 6.0 Macintosh, 7.0 and 8.0 Windows software.
