An easy answer guide to the difficult questions surrounding Enron What Went Wrong at Enron explains the critical steps, transactions, and events that led to the demise of a company that was once considered one of the most innovative corporations in the United States. Energy risk management expert Peter Fusaro gets inside Enron and provides a coherent account of the who, why, where, and when of this corporate debacle, without sacrificing the complexity of what has happened. Enron has been front-page news for months, but confusion still remains about what actually happened. What Went Wrong at Enron is written for readers who find themselves wondering what exactly is an energy trading company, what was the sequence of events that caused the largest corporate bankruptcy in U.S. history, and what does this all mean for me.
