著者:Harvey S. Rosen

出版者:McGraw Hill Higher Education

出版时间:2001-6-1

装帧:Hardcover

isbn:9780072374056

Harvey Rosen's scholarly and up-to-date Public Finance continues to be the market-leading book. The book takes its readers to the frontiers of current research, yet remains accessible to undergraduates. Although it draws upon the latest research, the book never loses sight of the reality it is supposed to describe, always drawing the links between economic analysis and current political issues.
