著者:Palus, Charles J./ Horth, David M.

出版者:John Wiley & Sons Inc

出版时间:2002-6

装帧:HRD

isbn:9780787909994

Let the "Center for Creative Leadership" show you how you can dramatically improve your leadership abilities in today's business environment. Based on years of specialized research, "The Leader's Edge" outlines six distinct creative leadership skills that, while not traditionally associated with management development, have, nevertheless, proven to be essential to modern business leadership. Here, the book's authors deliver compelling lessons in paying attention, personalizing, imaging, serious play, collaborative inquiry, and crafting - all competencies that modern leaders should master. They also outline activities for real-world implementation, provide case examples, and suggest ways to avoid common mistakes. A wealth of self-reflections and tools helps ensure your rapid progress.

#### 作者介绍:

Charles J. Palus is a research scientist and project manager in the Leadership for Complex Challenges practice area at the Center for Creative Leadership (CCL). His research interests focus on the relationship between meaning-making and leadership.

David M. Horth is a program manager and a senior faculty member with the Leadership for Complex Challenges practice area at CCL. He trains in many executive development programs, including leadership development and creativity programs for the international community.

目录: Preface.

Acknowledgments.

The Authors.
