isbn:9780761917212

Leadership Games presents twenty-five practical, inexpensive experimental activities

designed to be used in various leadership training and development programmes. This book centers on those areas of primary concern to today's managers, team leadership, risking innovation, fostering collaboration, managing conflict, and using diversity. The author has extensive experience both in the academic and consulting world (including being a past President of the Outward Bound program in Rockland, Maine).
