What is the real Price of Freedom that every leader or citizen must pay in order to realize the benefits of a free society? The critical clarity that arises from free choice and multiple perspectives is absolutely necessary for consumers as well as business, group and organizational leaders to make the decisions necessary to create quality products and build the highest levels of individual and group performance. In this book the author discusses in-depth THE PURPOSE AND POWER OF FREE CHOICE and gives the reader insights and a clear understanding of what freedom really means and how every citizen can help to make it work as the forefathers of freedom intended.
