"...a cautionary tale for the transition companies must make to turn cost-based 'call centers' into profit-building 'contact centers.'" -- Martha Rogers, Partner, Peppers and Rogers Group, and co-author, *The One to One Fieldbook*

"...a rare combination... a visionary approach focused around the customer experience, coupled with pragmatic lessons." -- Katrina Howell, Program Leader, Contact Center Technologies Research, Frost & Sullivan

"A 'must-read' for managers; this is a great guide for pulling the customer back into your management loop." -- Jerry Vass, author of *Soft Selling in the Hard World*

"Lior Arussy gets it... how, in our world of oversaturated interruptions, trust and true customer support are the ultimate differentiators." -- Bob Rosenschein, CEO, Atomica

.. ".turn your cost-based 'call centers' into profit-building 'contact centers.' A must-read for customer service professionals and their bosses."

Every page contains something that all business people--whether sole proprietors or executives in a multinational company--need to know." -- Ron Moritz, CEO, Moritz Technology Corporation, and Former Senior Vice President and Chief Technical Officer, Symantec Corporation
