An invaluable financial resource for individuals of all ages and all life stages. If you want to take a more active role in managing your personal financial affairs, you're not alone. Millions of people are seeking ways to gain control of their finances and make better money decisions. By combining time tested wealth building principles with verified

resources and professional insights, "Just Give Me the Answer\$" provides practical advice for everyone. In this easy to read book, you'll find the answers to more than 130 important questions like: - How can I become debt free? - Am I taking advantage of all of the tax saving opportunities available? - How can I create a reliable stream of income after I retire? - What would be the best type of mortgage for me? - How can I reduce the costs associated with my investments? - Would I be better off to contribute to my company's 401(k) plan or contribute to a Roth IRA? If you are not sure of the answers to these questions, you owe it to yourself to read "Just Give Me the Answer\$."
