No matter what your career plans or future goals, FINANCIAL ACCOUNTING, 10th Edition can help you learn how to critically analyze accounting information and make strong business decisions. You'll develop a solid understanding of financial accounting and its importance in business today that will put you well ahead of the competition. Organized around business activities, FINANCIAL ACCOUNTING, 10th Edition teaches not only the mechanics of preparing accounting information, but also how to use what you're learning to make practical, informed business choices. A lively, intriguing writing style, filled with actual examples from leading companies throughout the country keeps everything you're learning relevant to your own future success. Each streamlined chapter is packed with proven student-oriented learning features to help refine your accounting skills and your ability to analyze financial accounting information. To maximize each minute of study and help you efficiently complete homework, the new CengageNOW online learning system provides interactive tools and a personalized learning path that focuses on the accounting procedures and concepts you personally need to master for business success.
