著者:Adair, John Eric

出版者:Kogan Page Ltd

出版时间:2006-5

装帧:Pap

isbn:9780749446321

This pioneering work from leadership guru John Adair has transformed the understanding of how leadership works and how executives can become business leaders. It can genuinely be called a "classic," and has now been translated into 14 languages. Presented as a dialogue with a young business executive who is soon to become a strategic leader, *Not Bosses But Leaders* offers guidance on exactly what is needed to become a leader. Each fundamental aspect of leadership is exposed and explained in a concise, lucid way.
