isbn:9780385519694

In the On-the-Fly Guide to Building Successful Teams , Bill Butterworth brings his trusted brand of motivation to an issue that affects us all, no matter what kind of team we belong to, be it a company, a division, or a group . . . even a family.

As this charming little book makes clear, it is possible to learn how to be a better team member: by facing your insecurities, eliminating unhealthy competition, improving your communication skills, and overcoming your fear of change. Designed to be read in one short plane ride—or over a hot cup of coffee or two—this book reveals the traits that all successful teams share and offers common-sense advice on how you can bring those same skills to your team. Filled with stories about teams of all shapes and sizes, the On-the-Fly Guide to Building Successful Teams will change the way you think about teamwork—and yourself.

There's no telling what you'll learn when you read on the fly.
