As the host of Fox News Channel's Your World with Neil Cavuto and Cavuto on Business , Neil Cavuto reports on today's most influential business leaders and newsmakers. His great talent is to get beneath the issues, connecting people to the events that define them and changing the way that Americans think about their money. Ending each show with a provocative, insightful commentary, Cavuto stirs people to see the world in a new light, calling on them to think beyond the stories at hand and challenging people to reevaluate the world that they live in. In Your Money or Your Life , Cavuto compiles the best of these commentaries in one volume, creating a collection that is at once witty, thought-provoking, and inspiring. Covering a variety of topics—from remembering life before 9/11, to providing tips for empty nesters—Cavuto presents a wry yet evocative look at our world, one that speaks to the heart of the American condition. Spanning one of the most tumultuous decades in memory—from the wild and chaotic Clinton years through the sobering challenges of the War on Terror—Cavuto's words offer a window into our America at its best and its worst.
