"You can accomplish anything you can dream if you get someone else to do it!" is the personal mission statement and secret weapon of the irrepressible R. Philip Hanes. A dynamic and visionary entrepreneur, civic leader, and philanthropist whose CV includes posts at the National Endowment of the Arts and the Smithsonian, Hanes packs at least 10 lifetimes worth of experience and achievement into a memoir of his first 80 years. HOW TO GET ANYONE TO DO ANYTHING is not only the story of an exceptional life, its a manual for how to make your own life exceptional.
