This course book has been specifically designed to support the student through the IB Diploma Programme in Economics. It supports the course content and provides students with materials and activities as well as advice and guidance for the portfolio of four commentaries. In addition it provides activities integrated with study and

learning approaches, TOK, and the IB learner profile. Examples, features, and case studies drawn from around the world will encourage students to develop an international perspective.

呃好吧。竟然有人加学校课本=。=

Development Economics is especially well organized. Helpful indeed.

自学生存。。。傻逼奶德。。。
