This is a handsome desk diary and pocket diary inspired by Wainwright. The

illustrations in the desk diary and address book for 2007 are ink drawings of landscapes in England, Scotland and Wales taken from Wainwright's sketchbooks. The pocket diary, small enough to stuff into a pocket or rucksack, has illustrations from his "Pictorial Guides to the Lakeland Fells". Each diary has a picture for every week of the year and contains national and religious holidays and astronomical information. This stationery, exclusive to Frances Lincoln, is a must for all lovers of Wainwright in particular or of the Great Outdoors in general. With a new, fresh design, beautifully produced in a week-to-view format, this is a perfect gift for Wainwright enthusiasts.
