Susanna's walking on air. With some nifty self-promotion using a locked box and a key, she has managed to win herself a work experience placement at a celebrity news magazine in New York. It's her foot into the door of journalism as well as an opportunity to indulge her serious celebrity obsession. But the reality of the job is not quite what she expects. The editor, Nell, treats her like a skivvy, personal shopper and all-round dogsbody and the rest of her fellow office workers aren't much nicer. However the job does have a few perks, such as being sent out celebrity-hunting with the hot magazine photographer, and spotting her heart-throb, Randall Sanders. And when she gets the scoop of the summer, finally Susanna has the chance to shine...
