The CIA exam tests a candidate's knowledge of current internal auditing practices and

understanding of internal audit issues, risks, and remedies. The exam is offered in four parts, each part consisting of 125 multiple-choice questions. The IIA recently updated the CIA exam content, effective with the May 2004 exam. There are four modules on this CD reflecting the four-part exam. Each module contains hundreds of practice questions. The CD can be used as both a study guide (accessing 4000+ questions) or in exam mode.
