For millions of people, the great soprano Maria Callas (1923-1977) remains the focus of such unparalleled fascination that there is still no higher praise for singers than 'the best since Callas.' In this biography, Callas' career is brought brilliantly to life, from her transformation from a chubby, painfully shy girl into a magnificent, celebrated soprano, to her conflict with her larger-than-life image. Huffington makes this struggle, which was at the center of her life, also the center of the biography. Using a wealth of previously unpublished material and numerous first-hand interviews, Huffington documents Callas' interminable conflict with her mother, her deeply emotional relationship with her voice, the gradual unraveling of her first marriage, her passionate love affair with Aristotle Onassis, her agony and humiliation at his leaving her, and her secret abortion.

作者介绍:

Arianna Huffington (née Stassinopoulos; born Αριαννα Στασινοπουλου; July 15, 1950) is a Greek-American author and syndicated columnist. She is best known for her news website The Huffington Post. At one time a liberal democrat, she later became a popular conservative commentator in the mid-1990s, after which she adopted liberal political beliefs in the late 1990s. She is the former spouse of former Republican congressman Michael Huffington.

In 2003, she ran as an independent candidate for Governor in the California recall election.

In 2009, Huffington was named as number 12 in Forbes' first-ever list of the Most Influential Women In Media. She has also moved up to number 42 in The Guardian's Top 100 in Media List.

In 2011, AOL acquired The Huffington Post for US\$315 million and made Huffington president and editor in chief of The Huffington Post Media Group, which included The Huffington Post and then-existing AOL properties such as Engadget, AOL Music, Patch Media, and StyleList.

best callas book i've ever read.

-----  
读完之后突然冒出一个恶毒的想法：如果连这样的人物都没能得到幸福（作为Maria而非Callas的幸福）的话，那.....真的是不算什么呢（无论是casta diva还是Norma，都不是可以在现实中安静平和地生活下去的类型呢

-----  
have spent some time on this book. Have gotten many positive energies from Callas, but still, as a woman not a super artist, Callas couldn't make her life easier and still beyond redemption in her love....
