Whether Frank Deford is the voice you hear on National Public Radio's Morning Edition, or the name you see in the Newsweek byline, you are sure to be highly entertained with the irreverent musings of this much-acclaimed sports mind. In this best of the best compilation, Deford relates not only the specific and spectacular events that make up great sports writing, but reflects through sports the larger world of America culture. Frank Deford's latest book is a grand collection of his most vivid caricatures, colorful anecdotes, and out-of-left-field observations on the often humbling and humorous nature of sport. Deford's best writing will make an instant fan of any reader.
