This spectacular illustrated history tells the story of the last Romanovs - one of the great tragic love stories of all time - with unparalleled vividness & intimacy. The text, which follows Nicholas & Alexandria from their childhood's to the Siberian cellar where their lives ended, is complemented by rare images from the imperial family's private collections (locked away for decades in Soviet archives, & published here for the first time), as well as by contemporary full-color photographs of the places & palaces the Romanovs knew.
