出版时间:1996-09-16

装帧:Paperback

isbn:9780946719167

"A drug counselor and the author of In Cold Blood (Johnny Thunders biography) Antonia is the ideal chronicler of Perrett 's rise and fall. From his time as drug dealer, to the smack sojourn in British punk band The Only Ones, Perrett's tale is one of self-abuse and staggering selfishness. Antonia's interviews reveal an individual in a twilight of sex, drugs and narcissism."-Select Magazine
