著者:Berra, Yogi

出版者:Workman Pub Co

出版时间:1998-1

装帧:Pap

isbn:9780761110903

At last they're all together, in celebration of one of America's most beloved figures: from "It ain't over 'til it's over" to "You can't think and hit at the same time" here are all

the famous Yogisms, those pithy-as-poetry legendary words that are among the most popularly quoted sayings ever. Compiled by Yogi Berra and his family, "The Yogi Book" is the official collection of all Yogi Berra's quotable quotes. And more than just the genuine sayings themselves, there's Yogi on hand to explain each saying's provenance. Including many rarely-before-seen photographs plus appreciations and comments from friends and colleagues, "The Yogi Book" is a one-man Bartlett's, and a look at the life of a legend.
