出版时间:1991-02-20

装帧:Paperback

isbn:9780688103866

Vanderbilt: the very name signifies wealth. The family patriarch, "the Commodore," built up a fortune that made him the world's richest man by 1877. Yet, less than fifty years after the Commodore's death, one of his direct descendants died penniless, and no Vanderbilt was counted among the world's richest people. Fortune's Children tells the dramatic story of all the amazingly colorful spenders who dissipated such a vast inheritance. 32 pages of photographs.
