This massive collection includes all important letters, speeches, interviews, press conferences, and public papers on Woodrow Wilson. The volumes make available as never before the materials essential to understanding Wilson's personality, his intellectual, religious, and political development, and his careers as educator, writer, orator, and statesman. The Papers not only reveal the private and public man, but also the era in which he lived, making the series additionally valuable to scholars in various fields of history between the 1870's and the 1920's.
