

Three African-American Classics

[Three African-American Classics_ 下载链接1](#)

著者:Washington, Booker T./ Du Bois, W. E. B./ Douglass, Frederick

出版者:Dover Pubns

出版时间:2007-2

装帧:Pap

isbn:9780486457574

Essential reading for students of African-American history, this collection represents three highly influential leaders. Washington and Douglass, both born into slavery, recount their rise from bondage to international recognition. Du Bois' landmark essays counsel a more aggressive approach to the civil rights movement.
