The Wars of the Roses tore England asunder. Over the course of thirty years, four kings lost their thrones, countless men lost their lives on the battlefield or their heads on the block, and others found themselves suddenly flush with gold. Yet until now, little has been written about the ordinary people who lived through this extraordinary time. Blood and Roses is a gripping, intimate story of one determined family conducting everyday business against the backdrop of a disintegrating society and savage civil war. Drawing on a rare trove of letters discovered in a tumbledown stately home, historian Helen Castor reconstructs the turbulent affairs of the Pastons through three generations of births, marriages, and deaths as they single-mindedly worked their way up from farmers to landed gentry. It is a remarkable chronicle of devotion, ambition, and survival that brings a remote and hazy era to vibrant new life.

# 评论

很值得一读的一部书籍，作者本人是历史学家 而且在纪录片里也有出境  
美貌与实力兼备 文笔也不错 学养深厚  
看一个家族的变迁，也能反映出那个时代，描绘出一副极有说服力的世俗画卷，时代变幻，美丽和哀愁 都值得我们去深思
