Having courted throughout his time at St. Andrews University, Kate Middleton and Prince William are now a permanent item. Having managed to maintain a rather low profile so far, Kate has recently been issued with her own security force, similar to that of Camilla, Prince Charles' s consort. This move has been widely interpreted as the beginning of getting Kate accustomed to the media spotlight into which she will step by marrying Prince William. From an upper-middle class background, she is seen as a much-needed breath of fresh air by the monarchy, and her grooming has already begun in earnest—and crucially, with Her Majesty' s approval.
